

CMSI 4072 Project Status Document  
Spring 2024

---

Name: Jayden Craig

Project: MetroTune

Week: 9

---

Accomplishments:

- Worked on further UI tweaking
- Got the fundamentals of the metronome working properly
- Updated the beat text content with the current beat
- Changed the input of the metronome to a slider
- Moved reference notes to separate page
- Began Work on reference note pages

Plans:

- Add any other necessary features
- Add more alternate tuning options for the reference note pages
- Add more custom functionality to the metronome (beat accents, etc.)

Concerns:

- No current concerns
